Ebay prices unpredictable as financial crisis deepens.Â

The price of Robertson's golly badges has been on somewhat of a rollercoaster ride over the last twelve months from the reasonable prices of December 2007 through the slump of early 2008 closely followed by the 2nd slump towards the end of 2008 then what looked like being a renewal of fortunes the crazy sometimes unexplainable worthless prices of early 2009.Â

One minute they look like commanding a reasonable price and the next badges are going for a quarter of their value.

The secret is securingÂ a fairÂ price - soÂ "contact us" today and see how much your badges are worth
