FAQ2 - Badge values

Will Golligosh give me a price for my badges?

Yes, Golligosh will always give you a valuation.Â Please remember the more detail you can give, the easier it is for us to work out a price and therefore the greater likelyhood of you receiving a price reflecting the full value of your collection.

Remember: A pictureÂ can say a thousand words but Photoshop says more! so leave your images untouched - we will not give a valuation on any image we believe to have been altered or notÂ a true picture ofÂ the original badges.
