Contact Information

To contact Golligosh please use the following email addresses.

For sales email:Â Â sales@golligosh.co.uk

For general information email:Â information@golligosh.co.uk

To purchase badges or make enquiries regarding other items you need for your collection email:Â Â purchases@golligosh.co.uk

No email? No problem just call this number leaving a message stating that you have golly badges'items for sale along with your contact number and someone will get back to you.Â Tel: 07961307170

We are also on WhatsApp using the same number as above 07961307170

If you are contacting
Golligosh with a sales or information enquiry please include clear
images of both the fronts and backs of the badges/items and details of any other factors you feel relevant such as backstamps, makers marks or areas of damage for example. The clearer the images you send, the easier it is for us to come to a precise valuation

Please note: When you contact golligosh using any of the above email addresses your message and any attachments will be redirected to a central collection point where you will recieve a prompt reply directly from one of our valuers using an alternate email address.Â This is done to prevent spammers from directly targeting specific email addresses.

The maximum attachment size that our mailbox can recieve in one email is 25 megabytes which is normally enough for at least 5 high quality images.Â If you have more images or your email excedes 25 megabytes don't worry, just repeat the process and send as many emails as required until all the images have been sent !
